

In 2025, our gift collection explores the mystic and ethereal. With the growing fascination for fantasy amongst customers, tea is a source of serenity and wonder – a moment of calm amidst the festive busyness.

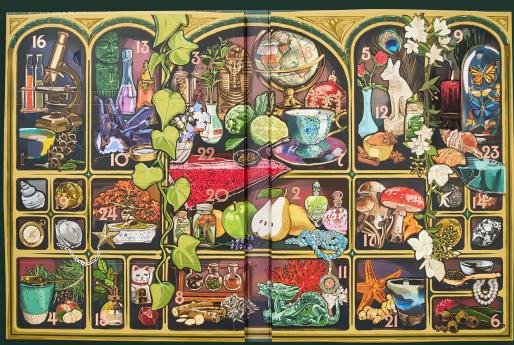

Every detail is meticulously crafted to create a unique gift. Premium fine bone china, sustainably sourced whole leaf tea, and limited-edition re-usable gift boxes and tins – all designed exclusively for Christmas gifting.

Created to tap into the season's in-demand flavour trends, this collection combines the best of our most successful gifts with gift-able designs, hand-drawn by our Melbourne in-house team.
